# TURBO SET STINGER Propano

| | |
|---|---|
| **Technical Data Sheet** | basic features |
| **Description** | Welding Kit Stinger |
| **Product** | kit for oxypropane welding |
| **Model** | TURBO SET Stinger OxyPropane |
| **Type** | Welding Gas Equipment with refilleble cylinders |
| **Customs tariff** | 84682000 |
| **Barcode** | 8011971122051 |
| **Gas to be used** | Oxygen and Propane |
| **Cylinders** | Provided with certificates |
| **Reference standards** | EN ISO 5172 - EN ISO 2503 - EN 1327 - EN2539 - ISO 5175 |
| **Max Temperature** | 2850°C |
| **Safety devices** | Nr. 2 Flashback arrestors in the handgrip |
| **Flexible hoses lenght** | Twin tube L=4m |
| **Ignition device** | Manual |
| **Flame spread device** | Nozzle 400L on the handgrip + n°5 nozzle additional at 40-63-100-160-250-315L |
| **Oxygen Pressure reducer** | Series Mini Oxygen 2 gauges (EN ISO 2503) |
| **Gas tap** | Series Mini Propane 1 gauge (EN ISO 2503) |
| **Included Accessories** | Protective goggles - Filler Metals |
| **Transportation device** | Cylinders Trolley (350x190x225mm) without wheels |
| **Weight** | 13kg |
| **Manufacturer** | Oxyturbo spa |
